

RIKAS ILAMDEEN

Computer Science Undergraduate

I am very interested in software development, and I have a passion and curiosity to build innovative applications that people will love. I enjoy solving problems and working with others. My enthusiasm extends to contributing to open-source projects, where I thrive in collaborative environments and making a positive impact on the software community.

EDUCATION

Jan 2023 – Present

BSc (Hons) Computer Science

University of Westminster, UK

Informatics Institute of Technology, Sri Lanka

Feb 2022

GCE Advanced Level – Physical Science

Baduriya College

Combined Mathematics, Physics, Chemistry

TECHNICAL SKILLS

- Java, Spring Boot
- JavaFX, Swing
- JUnit
- MySQL, SQLite
- Python, Flask
- HTML5, CSS
- JavaScript
- C, C++

SOFT SKILLS

- Problem-solving
- Adaptability
- Communication
- Time management

INTERESTS

- Software development
- Open-source
- Machine learning

PROJECTS

- Calculator application
- Food ordering management system
- Sports-themed website
- Student marks evaluation system
- Raspberry pi-based home automation system
- Tree-based machine learning implementation

ACHIEVEMENTS

- Third place in **22km trail running competition 2023**, among 84 hikers (ITRA - International Trail Running Association)
- **All-island school inventors' competition 2017** (SLAAS – Sri Lanka Association for the Advancement of Science)
- Led my team to 2nd place in Robotics and 3rd in C++ Programming at the **All-island coding and robotic competition 2016**.
- Sahasak Nimavum'16 (SLIC - Sri Lanka Inventors Commission)
