SUMMARY

I am very interested in software development, and I have a passion and curiosity to build innovative applications that people will love. I enjoy solving problems and working with others. Seeking an internship opportunity, ready to adapt any challenges and a quick learning ability to meet company needs.

EDUCATION

2023 – Present
BSc (Hons) In Computer Science
University of Westminster, UK
Informatics Institute of Technology, Sri Lanka

2022
GCE Advanced Level
Baduriya College

GIT	A
Chemistry	B
Combined Mathematics	C
Physics	C

PROJECTS
🌐 https://rikas-ilamdeen.github.io/
- Calculator application
- Food ordering management system
- Sports-themed website
- Student marks evaluation system
- Raspberry pi based home automation system

ACHIEVEMENTS
- Third place in 22km trail running competition among 84 hikers, 2023 (ITRA - International Trail Running Association)
- All-Island School Inventors' Competition 2017 (SLAAS – Sri Lanka Association for the Advancement of Science)
- Led my team to 2nd place in Robotics and 3rd in C++ Programming at the All-Island School Level Coding & Robotic Competition 2016, among 20 schools.
- Sahasak Nimavum'16 (SLIC - Sri Lanka Inventors Commission)

EXTRACURRICULAR ACTIVITIES
- Contribute to open source projects
- Member of IEEE CS at IIT
- Volunteering to taught combined mathematics to Advanced level students, and conduct coding & robotic sessions for grade 8, 9 students.
- School prefect and active member of science society
- Former treasurer, currently incharge of the Education Unit at Arafath Club
- Badminton player at IIT
- Trail running and hiking
